Good afternoon, Sonya!

I have attached the K & K1 information that you requested for the additional clinics for HTW. Do I need to indicate a Revision # on them or are the forms sufficient? If I need to add a Revision # please let me know and I will correct and resend.

Thank you,
Toni

Okay if this is the case, we would need the Form K and Form K-1 filled out for every clinic you are requesting to add to HTW. Feel free to contact me if you have any questions.

Thank you and have a great weekend!

Thank you for your response Carol.

Are the clinics listed below only providing HTW fee-for-service or are you requesting that they be added to the contract?

Sonya –

Toni is having email issues this morning so I will address.

All THG clinics will provide both HTW and FP with the EXCEPTION of Life Choices and Tenison Women's Center Dallas. Tenison Women's Center Dallas applied directly To HHSC to provide FP services. Not a part of THG FP.

Thanks –

Carol

Good afternoon Toni,

I'm sorry I misread your spreadsheet. I was looking at the columns on the right of the spreadsheet that stated both HTW and FPP, but next to the six clinic's names that I sent you, you wrote FPP only. For those six clinics, are they providing both FPP and HTW services? Or just FPP?

Thanks,

Good Afternoon!

Just making sure I am understanding what you are needing. You need these forms completed for these clinics and it is for the Healthy Texas Women program. I checked and in the Family Planning Program you should have all of the Form K's which are found in Revision #2. Plus, we were only asked for the list of clinics and their NPI numbers for Revision #3 for the Family Planning Program. We were told you did not need form K after all.

Please verify that I am correct (or not).

Thank you,

Toni

Hi Sonya!

I have the updated list for the clinics that we are working with. I have indicated if they are HTW or FFP clinics. Most of them are both. We are still waiting on application approval for the Rio Grande Clinics but I included them.

Please see the attached and let me know if you have any questions. We have a couple of clinics that have been removed but we notified that they were not in our group any more. They were not in the set of papers that you sent to me to verify clinics.

Please let me know if you need anything further. Have a great evening!
Thank you,
Toni
